

Dear Fall League Parents,

Please take a moment to fill out this Fall League Survey to rate your player’s coaches, fields, umpires and league with respect to the listed criteria. This will greatly assist in our selection of coaches for next year and help to make the Fall League better in the future. The managers and their coaches will not see this form and will only be presented with summary data.

Division: \_\_\_\_\_

Please rate each coach and manger on a scale of 1-5, 1 being the most negative and 5 being most positive. Remember, everyone starts out with a three and exceeds expectations to get a higher score and falls short of expectations to get a lower score.

1- unacceptable, 2 - needs work, 3 - meets expectations, 4 - very good, 5 – awesome.

There should be very few fives and very few ones.
